

born again, (saved). Are you saved, **if not, Pray**, Lord Jesus, I am a sinner, yet I believe you died on the cross and shed your blood for me, and that you rose from the dead on the third day. Forgive my sins and set me free from the bondage of sin. By faith I accept you as my Saviour, and I will serve you always.

I'LL NEVER GET OUT OF THIS WORLD ALIVE

Amusing as these words are, they are true, and the song reveals an attitude that I'm afraid is all too common among people. We all know that everybody dies eventually, but in day to day life, we regard this knowledge as not terribly important. We entertain a concept of not living on this earth forever, but usually don't stop to think about death, or about what comes after. The song, "I'll never get out of this world

alive", indicates a knowledge that we will get out of this world, and a desire for an existence, after death. I feel quite sure these thoughts are also in the heart of every person, especially when they know death is around the corner due to old age or terminal health. Your body will die someday, but the spirit, the immaterial part of you will exist forever. You have a choice, choose Jesus and have eternal life and live forever, or continue in sin and be lost for eternity. To live forever you must be
